

# Christian Legal Aid of Los Angeles

## Law Firm Partnership Information

Thank you for your interest in getting to know Christian Legal Aid of Los Angeles (“CLA-LA”)! There are several ways that law firms & individual lawyers can partner with us to provide justice to the people of Los Angeles:

### Serve at our Monthly Clinics

CLA-LA hosts monthly clinics throughout Los Angeles County. These are staffed by volunteers who serve our clients’ legal, social, and spiritual needs. We welcome attorneys to volunteer, regardless of their normal practice areas. If there are any other skills that you would like to contribute, please let us know! *Individual volunteers are welcome to contact us directly at [volunteer@cla-la.org](mailto:volunteer@cla-la.org).*

### Make a One-Time or In-Kind Contribution

One-time contributions are essential to the work of CLA-LA and help not only to cover basic operating costs but also meet immediate needs. For current needs or suggestions for in-kind gifts, please contact us. Your gifts are tax-deductible and help CLA-LA improve its services to those in greatest need. For more information visit <http://www.cla-la.org/donate>.

### Stay in Touch & Spread the Word

One of the most important ways that you can partner with us is to stay updated about the work that we are doing and pass that information along to those in your network who might be interested. We can be found online at [www.cla-la.org](http://www.cla-la.org) or contacted via email at [info@cla-la.org](mailto:info@cla-la.org). We also share updates and photos on social media and would love to stay connected there as well.

### Pray

Prayer is at the heart of everything that CLA-LA does. We would love for you to join us in seeking the Lord’s grace and guidance as we pursue His heart for justice and serve the people of Los Angeles. In addition, the CLA-LA staff would be glad to pray for any needs that you may have.

***Thank you for your interest in serving the people of Los Angeles with us. If you have any further questions, please contact us at [info@cla-la.org](mailto:info@cla-la.org). We look forward to getting to know you and exploring the possibility of working together.***
