**"Let us consider how we may spur one another on toward love and good deeds.
Let us not give up meeting together . . . but let us encourage one another."**

Hebrew 10:24-25

The **Insert Chapter** Christian Legal Society invites you to participate in our mentoring program. This is an opportunity for you to meet with local Christian lawyers who have practiced in excess of three years and who have expressed a desire to be a help and encouragement to law students and young lawyers.

The goals of the mentoring program are to:

- provide a vehicle for local law students and young attorneys to become involved with the Christian legal community in the **Insert Chapter** area;
- give law students and young attorneys a personal mentor to contact outside of their school or work environment;
- offer law students and young attorneys spiritual guidance, prayer, and encouragement;
- give local attorneys an opportunity to be involved in the CLS student chapters at **Insert Chapter** area law schools; and
- increase the visibility of, as well as law student and attorney participation in, CLS as an active part of their professional, educational, and spiritual experiences.
