Dear Friends,

It is a blessing to return to beautiful Newport Beach this October for the 2022 CLS National Conference. Please consider joining your fellow Christian attorneys, law students, judges, professors, family, and friends for a wonderful time of fellowship, encouragement, and learning. Last year's national conference was such a joyous return to in-person gathering. I know this conference will be equally, if not more, refreshing for all.

We have lined up some incredible keynote speakers for this year's conference, including Justin Giboney, Jennifer Marshall Patterson, and Tom Lin. Joining them, as always, is an equally incredible lineup of workshop speakers and our great religious freedom panel. I know you will be blessed, as well as educated, throughout the weekend. Additionally, consider joining us for one of the special events, and we are excited about doing our first ever "job fair" at the conference.

Please visit CLSCONFERENCE.ORG for all the details (including event registration and hotel registration!) about this year's conference and its accompanying events. If you have any questions, please do not hesitate to email us at clshq@clsnet.org. We look forward to seeing you this October in sunny Newport Beach.

David Nammo
Executive Director and CEO
