Christian LEGAL AID

Changing the world one life at a time.....

..... a young Seattle widow with a seven-year-old son received Christ during an interview with a Christian Legal Aid lawyer when she sought and received help against a physically-abusive boyfriend. Returning home after the interview, she told her son that he now had a “new mom.”

..... a drug-addicted, homeless ex-waiter received help in getting back his job, a New Testament and a plan for rebuilding his life from a volunteer Christian Legal Aid lawyer in Honolulu. Later, serving a meal to the volunteer at his restored job on a cruise ship, the waiter said, “I am following Jesus.”

..... a homeless man in West Philadelphia was recently able to thank people and businesses that supported him in his time of need. After receiving assistance from Christian Legal Aid to resolve his criminal record he was able to successfully secure a job and “pay forward” the good will to others in need in his community.

Isaiah 1:17 *Learn to do right, seek justice, defend the oppressed, take up the cause of the fatherless, plead the case of the widow.*
